Re: Your Public Records Act Request Received April 15, 2026

Dear James Cannon:

This correspondence responds to your Public Records Act Request received on April 15, 2026 and follows the Department's initial response on April 24, 2026. In your request, you seek records related to data associated with the November 4, 2025, Statewide Special Election described by you as follows:

Request No. 1

"A complete list or dataset of all ballots rejected or not counted in the following election: - November 2025 California Special Election (including all ballots related to Proposition 50)"

Response No. 1

The Department has determined that records including a complete dataset do not currently exist and can be generated for you upon request and payment for data.

Request No. 2 "For each rejected ballot, to the extent available and maintained in your records, the following information: - The reason for rejection (e.g., missing signature, signature mismatch, late arrival, wrong precinct, no postmark, voter deceased, etc.) - The registered political party affiliation of the voter associated with the rejected ballot - The ballot type (vote-by-mail, provisional, in-person)- The precinct or zip code associated with the ballot (no personally identifiable voter information is requested)"

Response No. 2

The Department has determined that records do not currently exist, and the data can be generated for you upon request and payment for data.

Request No. 3 "Any summary reports, logs, or statistical breakdowns your office maintains related to rejected or uncounted ballots from the November 2025 Special Election, including any cross-tabulations by party registration or by ballot measure (specifically Proposition 50). I am not requesting any personally identifiable voter information such as names, addresses, driver's license numbers, or Social Security numbers. I am only requesting aggregate or anonymized data that can be lawfully disclosed under the CPRA."

Response No. 3

The Department has determined that records do not currently exist, and the data can be generated for you upon request and payment for data.

The cost of producing the above requested data is estimated at \$120/hour with an estimated time of completion to be 1.5 total hours. Please send a check payable to "Monterey County Elections" to Monterey County Elections, Attention: Data Request, 1441 Schilling Place – North Building, Salinas, CA 93901. Data reports will be generated and customized per the above direction upon receipt of payment.

Please be advised that every effort has been made to provide all of the disclosable records which might fall within your inquiry. As such, we believe our reply is quite thorough. However, if you have knowledge of a specific document which has not been provided in response to your inquiry, please notify us and we will be happy to provide the document(s) to you unless, of course, it is exempt from disclosure under applicable law.

If you wish to dispute any determination contained in this response to your request(s) please advise us of your legal argument. If you would also please provide us with a citation or legal authority which supports your argument we will be willing to reconsider our opinion.

Sincerely,

A handwritten signature in black ink, appearing to read "Gina Martinez", with a stylized flourish at the end.
