RE: California Public Records Act Request – Rejected Ballot Data with Voter Party Registration

Dear Mr. Cannon:

The Stanislaus County Registrar of Voters is delivering the material requested in your California Public Records Act (PRA) request dated April 15, 2026.

In the attached spreadsheet, some rejected ballots don't list a precinct. Precincts are based on the voter's residential address in Stanislaus County, so no precinct is available if the individual resides in another county or the address on the provisional envelope is incomplete. The spreadsheet only lists vote by mail and provisional as ballot types because no in-person ballots were rejected.

This delivery closes your public records request.

If you have any questions, please respond to this email or contact the undersigned.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Donna Linder', with a stylized flourish at the end.

Donna Linder

Clerk-Recorder & Registrar of Voters
